Headline:
Showers for Tuesday and turning brighter into the afternoon.

This Evening and Tonight:
Rather cloudy with showery rain and hill snow. There will be some drier, clear interludes in sheltered spots such as Lochaber. Northeasterly winds occasionally strong across coasts and Isles. Minimum temperature 2 deg C (36 deg F).

Tuesday:
Rather cloudy start with further showery rain. Drier, brighter weather extending from north from mid-morning, with bright and sunny spells increasing from late morning. Scattered afternoon showers. Maximum temperature 9 deg C (48 deg F).

Outlook for Wednesday to Friday:
The cold, showery theme will continue for the rest of the week. There will be some sunshine with showers falling as snow on hills. Also a frost risk at nights.
